the friend ---

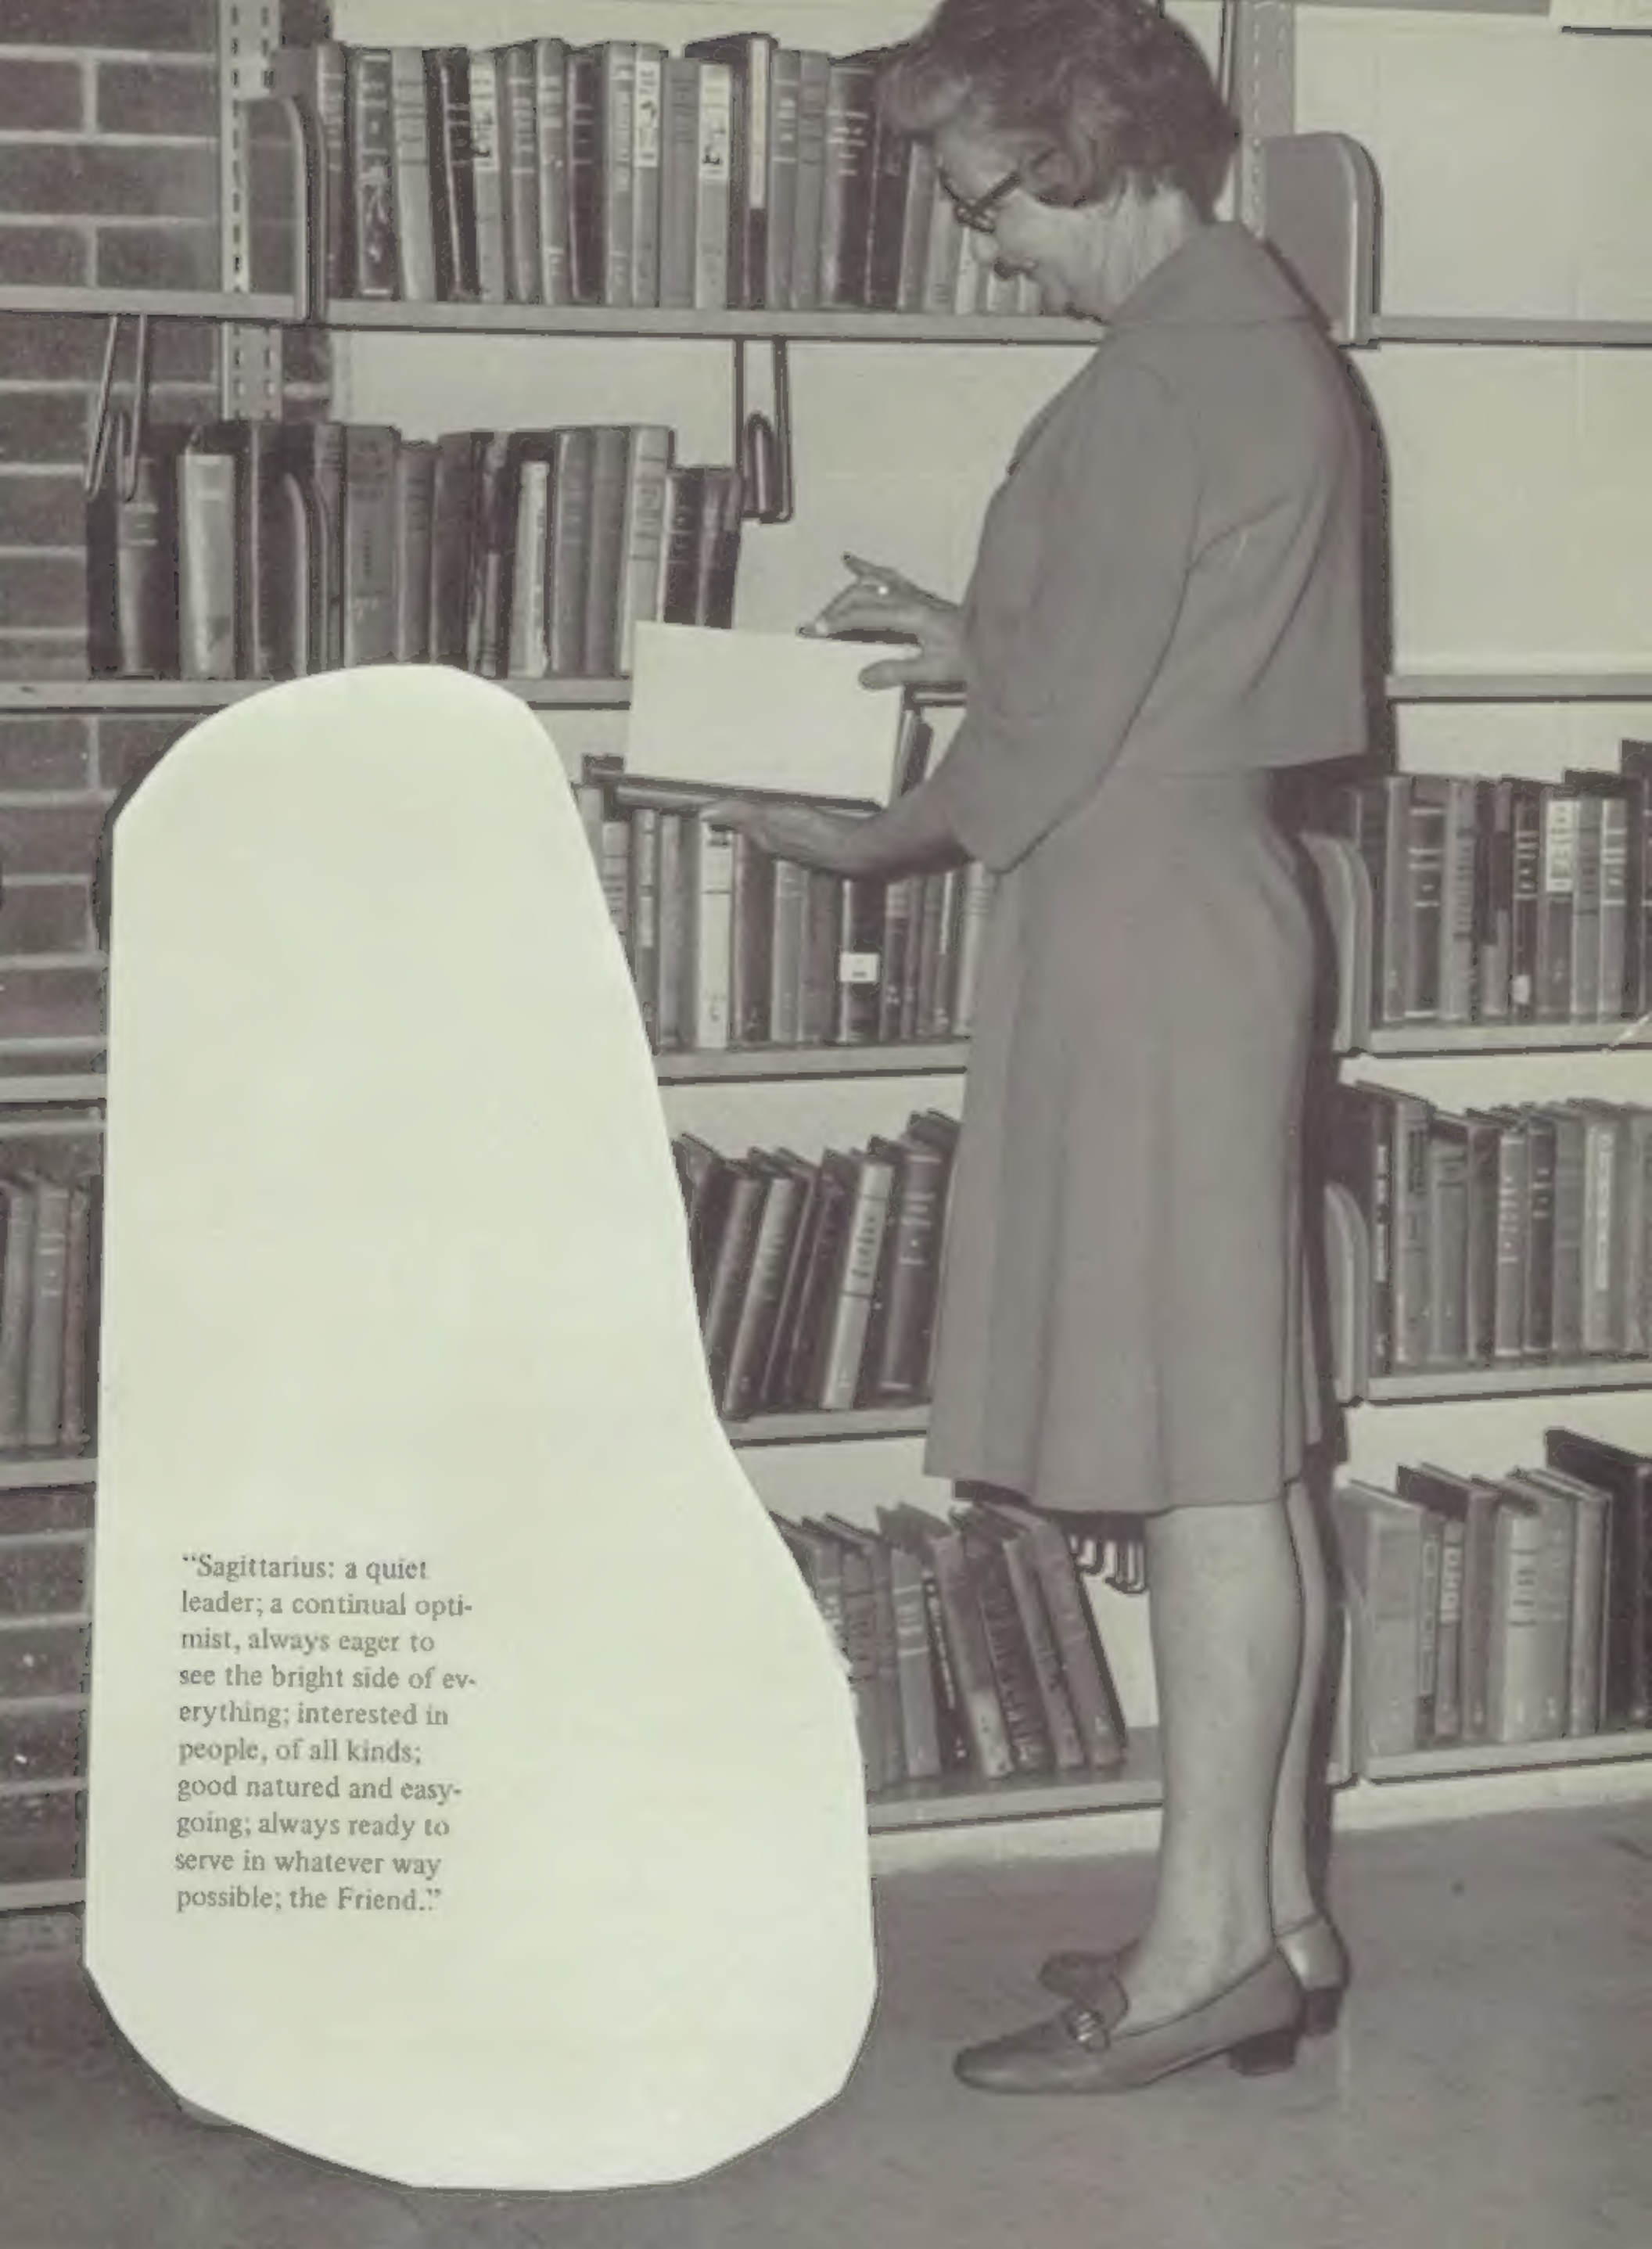

So often, it's the people who do the most for us we fail to remember, simply because they ask no reward but the knowledge that they have made others happy. There's a special person on campus who's like this.

She's a quiet leader; you often never even realize she's around until you need her. She can always see the good side of anyone and anything. She's interested in people, especially students, and she loves to watch them expand in her own special realm. She's good natured—stern, at times, but fair, and with a heart of butter under it all. She serves in a widely varied way; and every student knows he can just ask, and she'll help him with anything from research papers to just a good book to read.

Yes, in spite of all the cutting up in the library, of all the lost or overdue books, we do appreciate her and remember her patience and understand. Mrs. Marie Julian, we honor you; our friend.

"Sagittarius: a quiet leader; a continual optimist, always eager to see the bright side of everything; interested in people, of all kinds; good natured and easy-going; always ready to serve in whatever way possible; the Friend."

"Where's a copy sheet?"

"Hey, did you ever get that, copy form? I've got to have it!"

"Proportion Wheel!"

"Ricky, PLEASE, let me use that headliner.

"But, Mrs. Matchett, you KNOW I can't draw a straight line!"

If you were to wander into Mrs. Matchett's room someday 6th period, you might think you'd stumbled into another world, made up of lay-out mats, pictures, deadlines, and complete confusion. But actually, you've only run into the annual staff, working hard to get Oak Grove's yearbook, the Hornet, "put to bed"—or, on the press.

Under the leadership of two great co-editors and an unbelievably fantastic sponsor (all affectionately referred as Slave Drivers No. 1, No. 2, and No. 3) the annual was completed this year, after starting work last May, and many long hours at school, afterwards, and on week-ends. And, for all the hard work, lost tempers, and frustrated minds, any annual staffer will tell you, it's one of the best, most rewarding experiences of a person's high school career, because you not only learn the mechanics of journalism, and gain credit for your part in it; but also the satisfaction of learning to work with others as a unit.

What does it take to be a leader in Aquarius, the age of progression, of enlightenment and learning? Capricorn, the administrator, is described as "concerned, capable, reasonable, a good figure to lean on."

"Capable." Even with such a load of duties and responsibilities, each administrator and teacher at Oak Grove operates smoothly and with a friendly attitude. Oak Grove's leaders are capable.

"Reasonable." Oak Grove has one of the best faculty-student relationships in the Pulaski County area because of the teachers' and administration's youthful, progressive ideas.

This makes for a smooth running school year, thanks to reasonable leaders.

"Good figure to lean on." It gives a student a good feeling to know there's someone **THERE** when you need them. Security is an Oak Grove leader.

"Concerned." This is the most important of all the qualities of a leader. Aquarius is said to be an age of love--and what is love but concern for others? Concern is a principal who'll take time to "just talk" with a student. Concern is an assistant principal who'll help a student out with a math problem. Concern is a faculty that cares enough to spend extra hours, extra effort, and extra love on a student body.

Oak Grove is proud of its faculty leaders, who, in this age of learning, are certainly among the very best.

Counseling Department

We are all aware that we have two counselors at Oak Grove, but do we really know what they do? Mrs. Mc Daniel works with the 8th grade, one-half of the 9th grade, the eleventh grade and one-half of the twelfth grade. Mrs. Hurley works with the 7th grade, one-half of the 9th grade, 10th grade, and one-half of the twelfth grade.

Counseling can be divided into five categories. The first of these is personal counseling which is helping students with scholastic, social or personal problems. This constitutes over 50% of all guidance work. Counseling also involves providing students with information on schools and careers, individual inventory (personal records), research and follow up on students, and testing, which includes SCAT, PSAT, ACT, National Merit, California Achievement, California Test of Mental Maturity, and Aptitude and Interest tests. These tests aid students in planning courses of study and vocational choices.

"Hello, Oak Grove High School: may I help you?"

"No, we're out of the 25¢ packages—would two ten-cent do as well?"

"Teachers, please pardon this interruption . . ."

"The date due is 12-17."

All very familiar sounds, just as the sight of the OGHS secretarial staff is a familiar and reassuring one. Mrs. Mary Denis and her assistant, Miss Cheron Armstrong, keep the main office running smoothly, attending to secretarial and clerical work for faculty and students. Mrs. Shirley Fortner acts as library secretary, helping Mrs. Marie Juliah in a variety of duties.

A very important part of the secretarial staff are the office workers. These girls gain experience by volunteering their free periods to working in the main office, with the coaches, and working for the counselors, helping with typing, filing and running errands. They are clockwise: Linda Key, seated, Brenda Wilson, Pat Kinslow, Teresa Jobe, Marilyn Manning, Gaby Brenner, Martha Johnson, Donnas Isom, Gail Grimes, Dottie Lakey, Kathy Wells, Marian Barker, Sandra Linton, Deana Kilmer, Kathy Bowie, and Judy Ripley.

And Student Teachers

Bus drivers have to be some of the most patient people in the world. How they manage to safely carry busloads of grouchy, mumbling students to school and rowdy, restless students home, and maintain a patient smile is yet to be discovered. Our bus drivers from left are: Eddie Baldwin, Harry Fisher (students), and Mr. Ben McCulloch, Mr. Lee Brown, Mr. Don Speer, Mrs. Mildred Cash, and Mr. Bill Seigrist.

Learning as they help to teach others are our 1st semester student teachers, all from SCA. From left they are: Mr. Paul Krissell, history major; Mrs. Colleen Barrett, business major; Mr. Len Rea, general science major.

Contrary to popular belief, the campus at Oak Grove is not kept neat and orderly by little elves who sleep in the patio during the day. OGHS's maintenance and upkeep are important responsibilities attended to by Mr. Chester Cartwright, Mr. Oather Hackler, and Mr. Arthur Howard.

Cafeteria Workers

"What's your favorite subject?"

"Um, well, lunch!"

While meant as a witty remark, lunch is one of the pleasant parts of the school day, thanks to Mrs. Wilbern and her cafeteria staff. Planning, preparing, and serving some 2500 students a week is quite a task, but the "Lunchroom Ladies" always manage to do so -and with a smile.

And their services don't stop at school day lunches. They also prepare the annual PTA Turkey Dinner and Band Dinner, along with Senior Banquet and a variety of other services throughout the year.

The cafeteria staff, from the right, is: Mrs. Tackett, Mrs. Matthews, Mrs. McDaniel, Wendelin Alford, Vivian Pearson, Donna Jackson, Mrs. Spears.

The Searchers

Donald Barber, Pres.; Linda Key, Sec.; Richard Bell, Reporter; Curtis Kirby, Sr. Rep; Martha Johnson, Treasurer; Jack Dollarhide, Vice Pres

What are the qualities that give the very mention of the word "Senior" an aura of magic and awe, that give our final year in high school such a special meaning? It's more than just those five extra minutes at lunch or practical jokes on juniors and sophomores; it's more than senior rings, ordering caps

and gowns, pictures, and invitations. Strange as it seems, it's more than the prom, or even graduation itself. It's as if there were an invisible bond composed of a sense of maturing, a sense of sadness at ending, a sense of eagerness for beginning and most wonderful a

sense of sharing, of searching with others for our own place.

Virgo is the searcher, the eager student, one hungry to continue. For this reason, no matter where they are, an OGHS senior of 1971 will always "be one" with each other.

Campus Leaders '71

Cynthia Griffith

In our Hornet Zodiac, there are four signs Aries, Pisces, Virgo, and Sagittarius which stand out particularly, because they represent seven very important people—Oak Grove's Campus Leaders, '71. A Campus Leader must be just what the name implies—someone who is admired and looked up to by the whole school. A Campus Leader must first of all possess that little extra fight and concern that makes him a leader; he must have the foresight and sensitivity that makes him a dreamer; he must always hold the desire to expand and learn something new, to be a searcher; and finally, very important, he must have the genuine love and caring for his fellows that makes him a friend.

Aries is the Leader, and, as would be expected, three of our top 7 were born under this sign.

Beauty, brains, and the calm authority of a leader are rarely all three found in one person; but Cynthia Griffith possesses all these and several more outstanding qualities which make her a Campus Leader, 1971. Cindy's list of accomplishments and activities through high school is impressive; region and state awards in science, lead in the Jr Play, 1969, Most Likely to Succeed in Who's Who, and active membership in Sr. Beta, Student Council, and Spanish Club. This year, Cindy was a district Jr. Miss Delegate and Semifinalist in the State Citizenship Award, was named to the American Who's Who of

Linda Key

High School Students, and, of course, was Co-Editor of the Hornet. We are sure that Cindy will continue to be a leader at Arkansas State College, where she will attend on an academic scholarship in the fall.

Efficiency and inspiration are definite qualities of a Campus Leader, as we see in Linda Key. In whatever task she undertakes, Linda gets it done quickly and neatly. She stays active in FHA, FBLA, Sr. Beta, as reporter for the Stinger Staff and on the Hornet Staff. She was a delegate for the District Jr. Miss Pageant, and is secretary for the Sr. Class. Her duties as an office worker for Mrs. MacDaniel and Mrs. Hurley, the counselors, keep her extra busy, also. With Campus Leaders like Linda today, who needs to worry about tomorrow's world leaders?

Versatility and talent are very important qualities in leadership, and Linda Tolbert, another Aries Leader, more than demonstrates these varied

Linda Tolbert

Peggy Karber

skills and abilities in school, church, and community activities. Much of Linda's talent lies in the field of music. She was majorette for the marching band for two years and was feature twirler for 1970-71, and has held second chair flute for two years; in 1970, she was named Outstanding Sr High Band Member. In choir, she has been equally active as soprano, officer for two years and OG's soprano representative for All-Region Choir Tryouts. She was one of the Ten Outstanding Talent Finalists in both State and District Jr. Miss Pageants, and was 1st runner-up and Miss Congeniality for the 1970 Miss Oak Grove Pageant. Linda has also been very active in FTA, FBLA and FHA, in which she has also been an officer and won several awards and was a representative to Girls' State, and was maid of Honor for Homecoming. She is very active in church work, especially in choir. A major in music at State College is very likely for this Campus Leader.

Wherever Peggy Karber goes, you're sure to find a friendly smile, a flash of humor, and a buzz of activity. This year, the production of the Hornet has kept her extra busy at the job of co-editor. She's also busy as Sr. Beta sec-

retary, and is active in Spanish Club and FTA. This year, Peggy's honors included Girls' State, District Jr. Miss Pageant, (Where she was in the Top Ten of Outstanding Talent), and Who's Who in American High School Students. She was elected Sr. Maid for the 1970 Homecoming Court and was in the Top Six Finalists in the 1971 Miss Oak Grove Pageant. Added to all this, she maintains a high grade point in all subjects, and is very active in her church, where she teaches the kindergarten Sunday School Class. She plans to attend Central Baptist College in the fall. Dependability, sweetness, interest, and understanding are all qualities which make a Campus Leader—and are all qualities of Peggy Karber, Campus Leader, 1971.

Poet, Musician, Scholar, Leader—all these titles are synonymous with Cheryl Cook. Her achievements of the past four years include the Literary Safaris prize for writing the Theme poem of the 1970 edition of the magazine. She also wrote the winning poem in the Person Category. She plays in the band, is a member of the All-District Choir, and has served as copy editor of the 1971 Hornet. Cheryl is a member of FTA and Senior Beta Club. Her

latest award is that of Oak Grove's choice for the DAR Citizenship Award. These combined accomplishments make you, Cheryl, a true Campus Leader at Oak Grove High.

"Swish!" That's a familiar sound on Oak Grove basketball courts, but especially when Curtis Kirby, Campus Leader, 1971, is out there playing. Curtis is truly a Campus Leader on the court, having played on the Varsity Team for three years, and being named All-District for the last two. As he leads on the playing courts, Curtis is also a leader on Campus. Class representative for his junior and senior class, he takes a very active part in Student Council. He is 2nd vice-president of the Spanish Club, and is active in Key Club, Varsity Club, and Sr. Beta. He was a representative to Boys' State, and was named to the Who's Who in American High School Juniors and Seniors. Curtis will probably attend Arkansas College at Batesville in the fall. A strong dreamer, making those dreams come true, Curtis Kirby, our Pisces Leader.

Take a dry, quick wit and put it behind a pair of twinkling eyes; then combine these with an inquisitive, serious mind, and who do you have? Our stu-

dent body president for 1970-71, Dale Linam. As is typical of his zodiac sign, Virgo, Dale is a searcher, always hunting out the best way to do things whether in athletics, school activities, class, or church and community work. Dale has been active in football and basketball, lettering in both. On campus, Dale is not only active in Student

Council, but in Spanish Club, Sr. Beta and Varsity Club as well; he's also the busy business manager for the Hornet. He was a delegate to Boys' State last summer and was selected for the Who's Who in American High School Students. It's only natural that, when you think Dale Linam, you also think Campus Leader, 1971.

Senior High Who's

Cynthia Griffith and Donald Barber: Most Likely to Succeed

The sign, Leo, is a sign of accomplishment, respect, and above all, leadership. This is why, in 1971, we've chosen the Lion to rule over our Senior High Who's Who.

One of the highest honors a high school student can receive is a place in Who's Who. It shows that, in the eyes of one's fellow students, you are "most" or the "best" in one field or another. It shows that you are considered a leader among your friends. It shows too, that you truly exhibit the qualities found in the sign of Leo, the Lion.

71 Miss Oak Grove

What would you like to find at the end of the rainbow, besides a pot of gold? Contestants in the 1971 Miss Oak Grove Pageant found fun and excitement. The theme was "Over the Rainbow," which was carried out in stage decorations, commentary by Miss Amelia Skinner, MC, and in the special entertainment by Mrs. Kay Howell, and

Mrs. Donna Gray. The girls opened the evening with a song and dance number. They were then judged in three categories, sportswear, talent, and evening gowns for personality, enthusiasm, talent, beauty, poise, and grace. The six finalists were asked, "What would you like to find at the end of the rainbow, other than a

pot of gold?" They were judged on their answers. Then came the final announcement—2nd runner-up, Debbie Haynie, sponsored by the FTA was also Miss Congeniality; 1st runner-up, Diana Butler, the Spanish Club contestant; and Miss OG, 1971—Debbie Barber, sponsored by the Senior Cheerleaders.

Homecoming, 1970: "Everything Is Beautiful . . ."

Despite a pouring rain, the theme ran true, and everything, from the queen and her court to the final score to the dance afterward was certainly beautiful. Homecoming officially started with election of the court, and began to snowball with the preparations for floats, the dance, and Homecoming activities. The final day—October 21, 1970—last minute adjustments to floats and dresses, afternoon ceremony, evening ceremony, and a resounding victory over Bryant—what better way to establish this as the Age of the Hornet!

7 Seniors Named All District for '70-'71

1st Row. John Zinamon, Donald Barber, Dale Linam 2nd Row. Jack Dollarhide, Bobby Glover, Tom Prock, Hal Sutherland.

The fighting '71 Hornets of Oak Grove High School had 7 players that were designated by the District as fine outstanding high school athletes. These All District Players helped lead the Hornets to their 6-3-1 winning season. To these players we would like to express our gratitude and admiration.

All District Basketball

Ability, Aggressiveness, and hustle all these qualities in a basketball player add up to All District—and Oak Grove had five such recognized players this year

Representing the senior Hornets in All District were Donald Barber (upper left) and Curtis Kieby (upper right). Donald was leading rebounder this season with 233 rebounds. Curtis was the Hornets' high point man for 1971, scoring 617 points this season, and tying for high career points with 1135. Two years an All District player, he tied this year for the District Outstanding Player

Hal Chambers, Gary Henderson and Arthur Johnson (below) were named Jr. High All District. Hal and Arthur, both freshmen, ranked about even in scoring and rebounding. Gary an 8th grader who will return to the team next year, shows outstanding qualities of speed and aggressiveness.

Spirit Trophy is Senior's Victory

Although students at Oak Grove back the Hornets as a team, and are all mainly interested in how the school does, there's a certain understandable amount of individual class pride and competition. For this reason, each year we have a Spirit Game toward the end of the basketball season.

Each class works to get every member to the game and registered. The class with the largest percentage present wins the Spirit Trophy for that year, and their class name is engraved on the plate.

With 54% of their class present, the 1971 Spirit Trophy was awarded to the Senior Class. They can proudly say "We're the best class under the sun We're the Hornets-71!".

The Music Department Awards Its Honors . . .

Dickie Ray Chance was chosen the Outstanding Senior High Band Member.

Vivian Cwalmiski was chosen the Outstanding Junior High Band Member

All band members are required to carry out certain duties and responsibilities; but those who work just a little bit harder than they have to are awarded a letter. To letter, a band member must earn 400 merits per year, or 550 merits in two years. After lettering for four years, a band member is awarded a letter jacket.

This year our band won a third place trophy in the Central Arkansas marching contest in the Jacksonville Christmas Parade.

Dickie Chance and Vivian Cwalmiski were chosen by Mr. Russell as the outstanding band students of the Jr. and Sr. High School.

Cheryl Cook has been selected as a member of the All Region Choir which is a very coveted honor.

Literary Safari, Junior Miss and D.A.R. Awards

Peggy Karber, Linda Key, Cynthia Griffith, Cheryl Cook, and James Vogelgesang had their poems published in the county literary magazine, the Literary Safari.

Cheryl Cook received the DAR and Betty Crocker Homemaker of the Year awards.

Oak Grove was well represented at both the District and State Jr. Miss Pageants for 1971. Jr. Miss is not a beauty pageant, but a search for the ideal Senior girl in enthusiasm, activities, scholarship, personality, poise, and promise.

In the District Pageant, Peggy Karber, and Linda Tolbert were chosen for the Top Ten Outstanding Talent. Linda Jo Hensley was given the Personality Award by all the District delegates. Cynthia Griffith won the Citizenship Award. Cheryl Cook and Linda Tolbert were chosen with three others to represent Pulaski County in the State Jr. Miss Pageant, where Linda was again chosen for Top Ten Outstanding Talent.

To be selected to compete in Jr. Miss is an honor for any Senior girl and it is an equal honor for the school that she is representing. Oak Grove High School can always be proud of its JUNIOR MISSES—1970-71.

OGHS Band Marches to Success

The Oak Grove High School marching band has performed many times during the 1970-71 football season. All the students have noticed a marked improvement in the band over the last few years. This improvement is shown also by their third place trophy from the Jacksonville parade. They

earned an above average or 3 rating in the Central Arkansas High School Marching Band Invitational Contest. This professional looking band here at Oak Grove is really something that all of Oak Grove is proud of. We wish the band much success in the future.

“Ma Cherie Amour—

The title of Miss Oak Grove Junior High, 1970-71 went to Rhonda Cook, daughter of Mr. and Mrs. Elmer M. Cook.

Rhonda is a member of the 7th grade class and was sponsored by the 7-1 homeroom. First runner up was Paulette Hamby and the second runner up was Charlotte Philips.

The theme for this year's pageant

was “Ma Cherie Amour”. The girls were required to appear in sportswear, and formals and they all had to perform in the talent division.

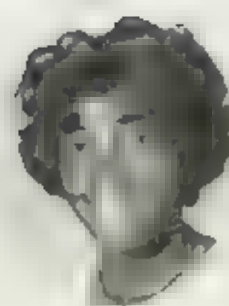

One of the most coveted of the awards given is the Miss Congeniality award which went to Tina Funderburg. The judges for the pageant were Mrs. Ellie Cooper, Mrs. Judy Rozell, and Dr. Allen

From "An Astrologer's Song"
Rudyard Kipling

Characteristics of Gemini are a restless, eager spirit, coupled with a sense of the serious side of life; they are life's merry-makers, kind-hearted optimists in every sense of the word. This described Gemini, but doesn't it also draw a picture of a Junior?

If a year is put into a type, the 11th grade has to be the Fun Year, the year of growing and beginning to come into your own. Junior Play, more senior high activities, Coach Henderson's class (an experience in itself!), and preparing for the Senior's banquet fill up a busy, exciting year; a casual, comfortable year; a year of looking forward to Senior Status; a year of Optimism.

Sophomores a year of mixed emotions under a mixed sign. This is the year of adjustment, of beginning to change from a "kid" to a "young adult". But it's also a year full of new adventures and wider horizons. Like Gemini, a sophomore is a seeker, an explorer in the new field of Sr. High.

Leading the organizations of the campus is the Student Council, Oak Grove's Student government body. Representatives and alternates are elected from each homeroom and the sophomore, junior and senior classes. Sponsors are Mr. Jones and Mr. Dunn.

Their activities included sponsoring all school dances and completely sponsoring and preparing Homecoming. In addition, they ordered trash cans to be placed around campus with the names of financing clubs on each.

A very special project for 1970-71 was preparation for the NCA Visiting Committee in January, 1971. Student Council helped Mr. Jones to prepare a comprehensive report on all campus clubs and organizations. They also set up guide posts in each building and provided part of the guides for the committee.

In an age of fast movement and quick thought, it's a kind of security to have organizers with a sense of responsibility and enthusiasm. For those an age of Cancer, the organizer.

Future Homemakers of America

A particularly active club on the OGHHS campus is the FHA, Future Homemakers of America, sponsored by Mrs. Rea, the home economics teacher. Besides following their main purpose, exploring the different facets of homemaking, the FHA is also kept extremely busy acting as student hostesses for the school.

FHA's main project this year was the Miss Oak Grove Jr. High School Pageant in February. Besides this, the club collaborated with the FTA to give the teachers a Christmas party, and also prepared and served the official tea for faculty and the North Central Accrediting Association Visiting Committee. Later in the year, the Mother-Daughter Banquet was held.

Our Oak Grove Chapter of FHA has been equally active on the state and county levels, participating in conventions and a county wide fashion show for merchants of Little Rock.

Requirements for membership are one year in a home economics course and an interest in homemaking.

Seated: Historian-Lynn Meeks, Second Vice President Linda Key, First Vice President Donnas Isom, Sponsor Mrs. Mary Rea, President-Sheila Hamilton. Standing: Secretary-Treasurer Martha Johnson, Third Vice President-Wendelin Alford, Reporter-Judy Elkins.

Future Teachers of America Look Ahead.

Combining two thoughts, that the future lies in the hands of today's youth and that teachers shape the minds of the youth, the FTA strives to encourage high school students to pursue a career in teaching or teaching administration. Requirements for membership are an interest in teaching careers and a C average scholastically.

A special project this year was upkeep of the teacher's lounge, and coffees for each holiday. Also, Student Teaching Day, during Teacher Appreciation Week, was a project to look forward to. FTA also served as official host in the NCAA Committee's meeting room.

FBLA

Future Business Leaders of America is an organization founded for students interested in a career in business or business education. Requirements for membership are this interest and one or more years in a business course.

In addition to sponsoring the annual Western Day in the fall, this year the Future Business Leaders of America has taken an active part in state activities, including sending members to the state FBLA Convention. These members competed in typing, bookkeeping, shorthand, and parliamentary procedure. Club members also financed their participation by composing, and selling their own cook books, and by typing forms and letters for faculty at a small charge.

Mrs. Whisnant is the club's sponsor.

Varsity Club Honors Athletes at Oak Grove High School

"Letterman" is a title that has a special ring to it; and to pay special honor to those special people on campus, a new club, has been added to Oak Grove High School activities.

Organized in the spring of 1970, the purpose of the Varsity Club is to pay honor to the leaders in OGHS sports; track, football, and basketball. The Varsity Club also strives to promote pride and spirit in the student body, and sponsors money-raising projects for the Athletics Department.

Membership requirements are that an athlete letters one year in any senior high sport. Sr. Cheerleaders are honorary members.

Projects for 1970-71 included the purchase of the new time clock and intramural sports.

"!Hola, Que tal!" Take a step into the language lab on a 1st or 3rd Thursday and you've entered the realm of Mrs. Bilhe Luben-the Spanish Club.

The study of Spanish, it's language, customs, lands, and people, is the chief interest of OGHs's Spanish Club, El Clu de Espanol. This interest shows in the club's activities, which are primarily social, and definately Spanish oriented.

This year, the young club's activities have included a re-vamping of the club's constitution, Christmas, Halloween, and Valentine's fiestas, Spanish movies, and eating out at the different Spanish restaurants in Little Rock.

This year, Jr. High members joined, adding a new spark to the club's activities and interest.

Library Club Is One of the Most Active

Have you ever wondered what goes on behind the calm, quiet, placid scenes of the school library? A good way to find out is to ask a member of the Library Club—because if anyone knows, they do.

Members of the Library Club aren't only members of one of the most active clubs on campus; they are also team workers that keep the library running smoothly for students' and teachers' convenience.

As seniors, Brenda Duncan, Valerie Green, and Marilyn White act as head workers under Mrs. Julian, librarian and Mrs. Fortner, librarian's secretary. They and every other member had one very important service in particular for 1971—preparation of the library for the North Central Accreditation Association's Visiting Committee. Over 1500 new books were processed, accessioned, filed, and shelved. The audio-visual department was improved, along with the vertical files and magazine files. New, double shelves and a new card catalogue had to be filled and placed; and the library still had to be kept running smoothly.

Formula for a school newspaper: Divide responsibilities into ten equal parts, those being; four parts essential comprehensive reporting, two parts attractive advertising, one part dependable business management for security; add one part feature editing for spice and variety; then sprinkle over all one part concise editing for a general good effect; take the one part left and make sure it's well versed in all facets of newspaper work for advising. Mix these well with cooperation, interest, and a genuine concern for school welfare and activities, heat occasionally (especially around deadlines). The result—OGHS 1970-71 Stinger!

The band has come a long way from the date of its beginning. This fantastic success is partially due to the devoted efforts of one band instructor over the course of three years. Surely, however, this success could not be complete but for the attentive respect the students give to their instructor. From the Christmas program before the holidays, to the spring concert before Easter, the band obviously enjoys what it's doing and rarely do you hear a band student complain because they have to go to band next period. The OGHS Band takes such pride in what they do that they can't help but instill pride in those of us who merely watch them perform.

The Big Green Machine Moved on . . .

The Hornets showed a lot of poise this year as they won six and tied one of their ten games. After starting their season with a win over Parkin (26-0) they defeated Lake Hamilton (22-7). In a defensive battle with Joe T. Robinson the Hornet's came up on the short end and were defeated (8-7). The disheartened Hornets fell to Cabot (33-0), but then rallied to win their next four games against, Perryville (26-0), Whitehall (34-12), Bald Knob (14-0), and Bryant (30-7). England downed the Hornets (39-0) stopping the Hornet's winning streak. In the toughest defensive battle of the year Oak Grove tied Rison (0-0) to finish their season.

How much can a man want to win? How far can a man push himself? How much will he take before he lets down?

The tough Hornets proved how tough they really were when they refused to quit, no matter what the odds against them.

A highlight of the year was the Oak Grove Invitational Tournament. The Hornets finished as Runner-up to Magna Cove. The Hornets defeated McRae and Hazen to advance to the finals.

The Hornets broke the old record of 55 points per game average. They scored an average of about 63.6 points per game.

This year finishes the careers (High School) of even seniors. All seven seniors are lettermen. The faculty and students should be proud of these young men.

What is a cheerleader? A human dynamo? A compact, portable box of energy? No, at least not in the beginning. Cheerleaders at Oak Grove High School undergo vigorous training throughout the entire year.

During the nine months of school they get their exercise from ball games, pep assemblies, and participation in numerous other clubs on campus. For, after all, the cheerleaders are certainly leaders.

In the summer, our cheerleaders attend the cheerleading camp at the University of Arkansas, where this last summer they won the Spirit Bell, a very coveted award, the first night they were there. The girls also came home with a third place ribbon in overall competition.

Once a cheerleader, always a cheerleader and when asked for the good word a cheerleader responds—

Go Hornets!

Kneeling from left: Mike Penny, Billy Goss, Ricky Verser, Jay Taylor, Loyd Baldwin, Coyl Rogers, Luther Stewart. Standing: Densus Ruple, Ricky Tolbert, Harold Coley, Arthur Johnson, Hal Chambers,

David Barber, Gary Henderson, Coach Bob Downing. Not shown are: Managers, Kenny Gangluff, Steve Coburn, Mike Cassette and Ricky Rudd.

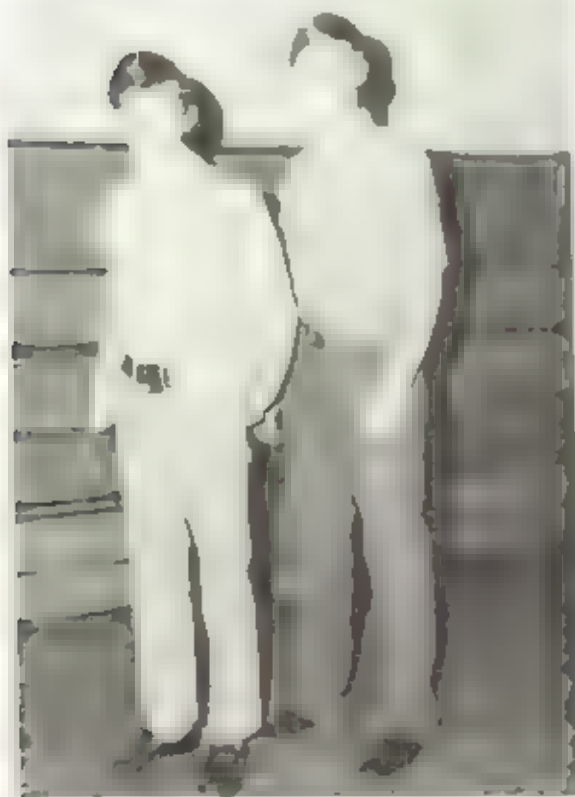

Juniors Show Prowess—Win 21

Height proved a big help to the juniors this year as they went to a 21-5 winning season and won two invitational tournaments.

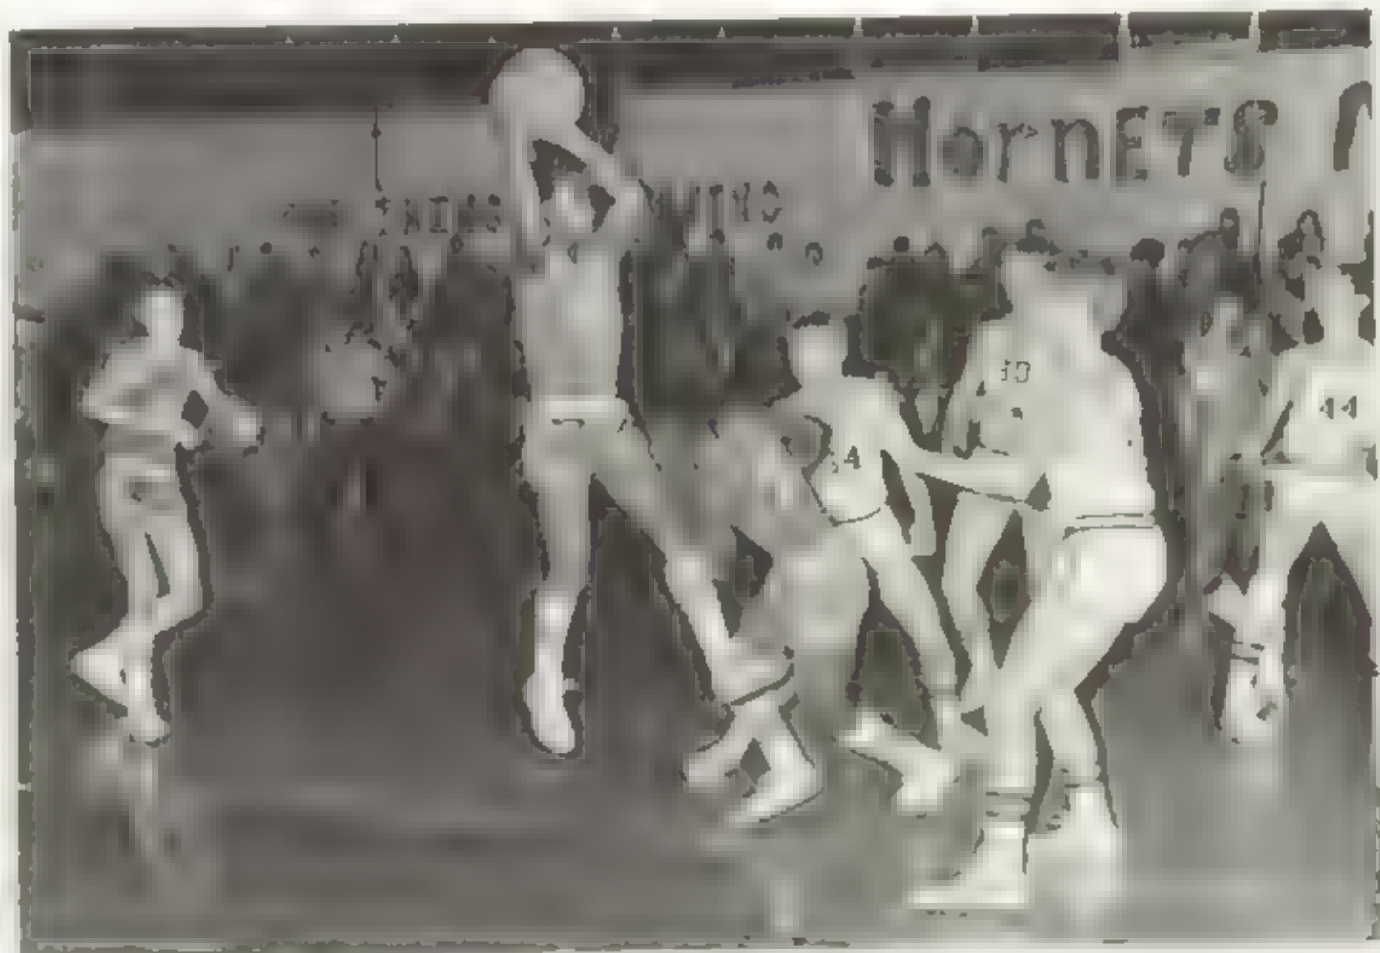

The first tournament was the Jacksonville Invitational. The Junior Hornets defeated Benton Eastside in overtime 50-48.

They then preceded to whip Cloverdale in the finals of the County Invitational Tournament 50-42.

In the Jacksonville tournament the Hornets defeated Cloverdale 49-43 and Conway 49-47 to get to the finals. In the County Invitational they defeated Mabelville 47-44, and Fuller 47-45.

Managers: Ricky Rudd and Kenny Gangluff.

Hey Gang! It's the 1970-71 Jr. Cheerleaders

Susan Murphy

Carla Howel

Nancy Funderburg

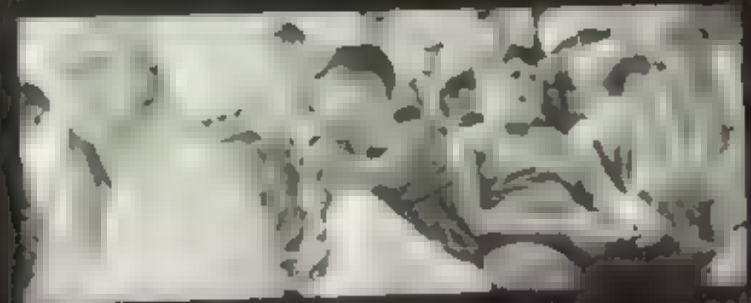

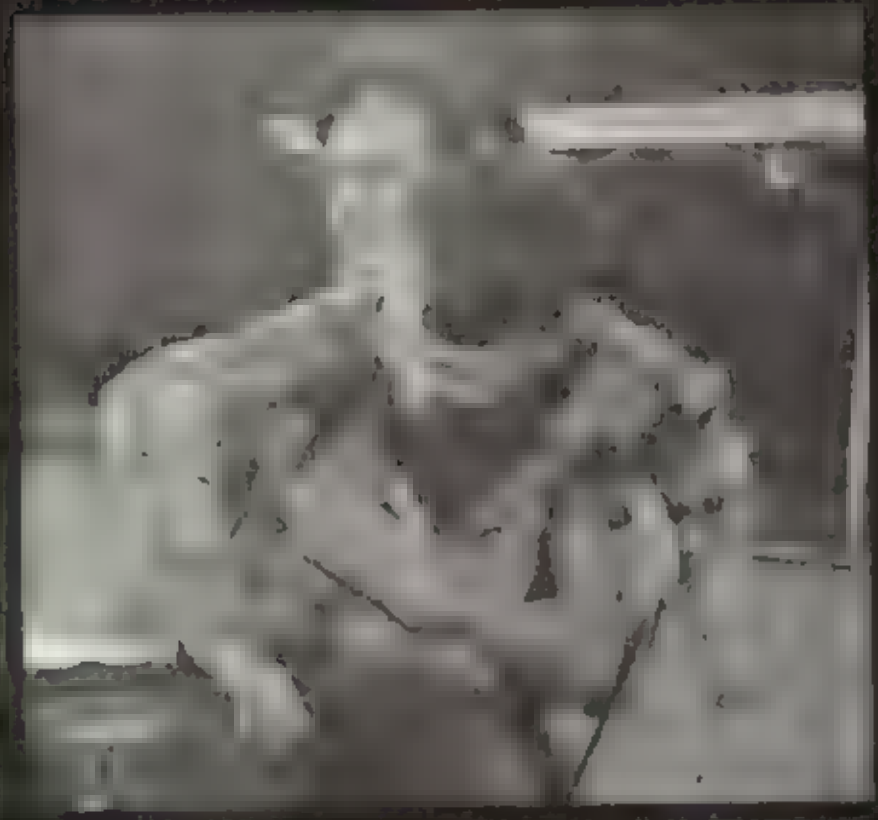

Joyce Lemmer

Our Junior Cheerleaders, a truly action packed group of girls. At cheerleading camp this year they won quite an assortment of ribbons and were known throughout the Arkansas State University campus for their spirit and enthusiasm. These girls have worked hard this year to keep the spirit high and the crowds yelling!

Though you may think it so, cheerleading for any team, even the very best can sometimes be an exhausting experience, so, at this time, we, the populace of Oak Grove Junior-Senior High School would like to say, "Well done Junior Cheerleaders."

Top cats, king of the hill, what-
ever you term it, the ninth grade has
reached a new status. Freshman Lords
of the junior high, freshmen have
wound their way through the "abysses
unproven and gulfs beyond thought"
and now stands on the first plateau of
high school. It's a good age; an
age to remember; the ninth grade's

Mischievous Dreamers: 8th Graders

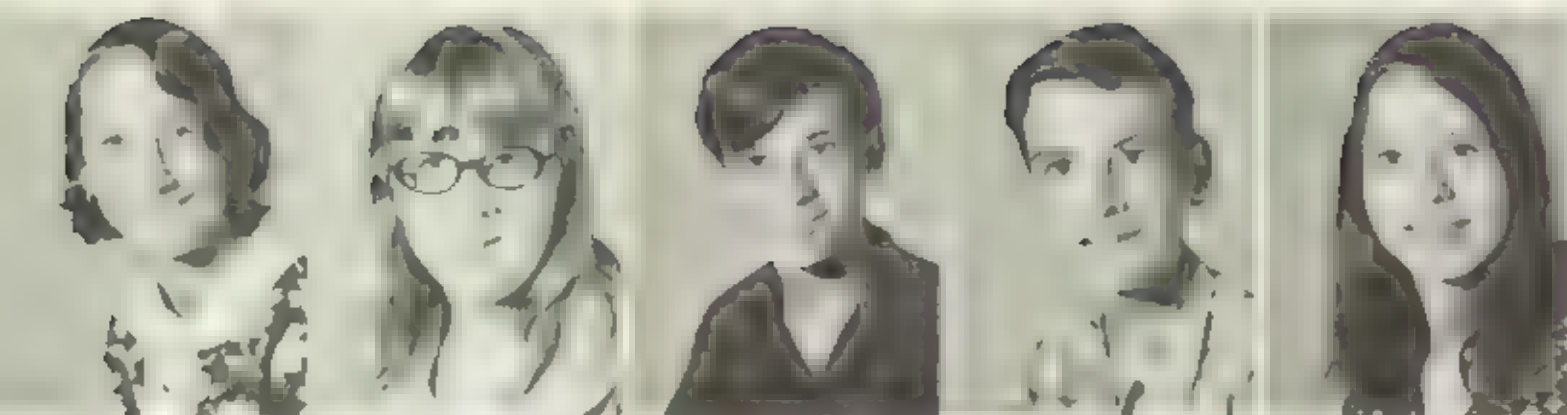

"Earth quakes in her throes
And we wonder for why"
An Astrologer's Song, Kipling

If Peter Pan still exists, he must be an eighth grader. Caught between the newness of the 7th grade and the responsibilities of the 9th, an eighth grader can get by with almost anything short of murder. No wonder "earth quakes" the 8th graders have hold it her! Pisces is a sign of mischievousness and so is an eighth grader.

AQUARIUS...

when the
moon is
in the
seventh
house

and
Jupiter
aligns
with
Mars

then peace
will guide
the planets

and love
will steer
the stars

**this is the
dawning of
the age of
Aquarius**

**harmony and
understanding
sympathy and
trust
abounding**

**no more
falsehoods
or derisions
golden
living
dreams
of
visions
mystic
crystal**

**revelations and the
minds true
liberation**

Aquarius..

the age of now!

Supt. and School Board

Our apologies for the placement of these pictures at the end of the book, but photos were not available when our last deadline was met; however, we feel that our book would not be complete without them

The success of our school is governed much by the decisions and actions of these men, and our thanks to each for the time and thought given to our school problems

In Memoriam

Gary Henderson

Russell Bellamy

Lord, be kind to my heart;
Fill my outstretched hands with comfort;
Mend my broken dreams;
Calm my raging spirit with understanding
And ease my lack of understanding
With patience.
Soothe the aching misery that lumps
In my throat with tears;
And then dry those tears with the
Warmth of remembered happiness;
For I have found
The pattern of
Laughter much easier to trace
Than that of tears;
And the taste of memory
Much sweeter if
Laced with a
Smile of love.
And, Lord, teach my heart to remember
That which is done
Is not lost—
That which once touched my life
Is with me now—as You are—
And Forever.

Luck always Best
 Sanyo,
 Sanyo '74"

So a real sweet and
wonderful guy. It
really has been and
always will be great
